

Albany Creek State High School Parents and Citizens Association plays an active role in supporting the improvement and care of school facilities. As a parent/carer of a student at our school you can support the P&C in its endeavours with a donation.

Projects currently planned include:

- Beautification, seating and shade projects
- Landscaping the front entrance to the school (to include wide pathway entry, additional bus shelter, fencing and provision of additional car parking facilities and lighting)
- Continued support for students through a range of activities and initiatives.

In the past, the Student Centre Fund has been used to upgrade and maintain the MPC. We would like to have greater impact across the school to further enhance facilities for students.

Albany Creek State High School P&C is endorsed as a DGR (Deductible Gift Recipient) by the ATO as a school building fund. This public fund is established and maintained solely for providing money for the acquisition, construction or maintenance of a building used, or to be used, as a school or college.#

People who make gifts or donations to a DGR are able to 'deduct' those donations for tax purposes. How much you give is your choice. We would greatly appreciate a donation of \$50 per family towards these projects, although any donation small or large would be welcomed.

Thank you for supporting the future development and maintenance of a vibrant learning environment at Albany Creek State High School

.....
For tax purposes please indicate details you wish to appear on the receipt.

Name: _____
Mr/Mrs/Miss/Ms/Other First Name Last name

Your email address _____
