

APPLYING FOR THE PROGRAM

Students will be asked to submit a 1-2 minute creative video response to the stimulus "The World How I See It". In addition, academic, effort and behaviour records will be considered. For more information, please see our website via the QR code.

VISION

The core vision of successful learners and innovative thinkers will be developed across a program of workshops and excursions that will support the development of media production skills. The program will be facilitated by our expert media teachers, guest professionals and mentors from the film and media industry.

The core foundation of the Program of Excellence is the Media Arts Curriculum. It is therefore strongly recommended that, in addition to the Excellence Program, students undertake Media Arts as an elective.

For further information about the Program of Excellence Media Arts please contact: Ms Forbes (Program of Excellence Media Arts Coordinator) 3325 6324

**PROGRAM OF
EXCELLENCE**
Media Arts

Creativity, innovative thinking and the courage to imagine – your pathway into the Media Industry.

OUR AIM

Media is a powerful medium used to communicate, persuade, tell stories and share ideas about the world around us.

The Program of Excellence provides passionate, talented and motivated students with opportunities to connect, engage and challenge a variety of audiences by presenting a view of the world from multiple perspectives.

This program supports our students in preparing for pathways into tertiary studies and the thriving film and media industry

Program of Excellence - Media Arts students are expected to demonstrate our school values of Respect, Responsibility and Resilience in all that they do. They should take pride in being among the best filmmakers in our community.

GOALS OF THE PROGRAM

The Media Excellence Program provides students with opportunities to develop creative, critical and practical skills by providing them with experiences in the area of media production and design.

Students will have opportunities to:

- plan, produce and distribute media art works
- develop, practice and realise works of a professional standard
- engage with industry professionals and access feedback and mentoring through the Artist in Residence Program
- experience the media industry in a professional environment through the excursion program
- showcase developed works to audiences at an end of year event.
