Tuckshop

Albany Creek State High School Tuckshop operates on a daily basis and is a very important and valued aspect of the school.

The Tuckshop provides balanced and nutritious food at reasonable prices for students and staff. It is also one of the prime sources of fundraising for the P&C. All funds are reinvested into the school through the purchase of resources and the funding of ongoing projects.

Our opening times are Monday to Friday 7.00am to 2.00pm.

The Tuckshop has four paid staff who work over the 5 day period. Our school Tuckshop relies heavily on the assistance of volunteers. We invite you to assist once a month from 9.00am to 2.00pm to help prepare morning teas and lunches.

Bring a friend!!! The more the merrier. We provide coffee and lunch.

Assisting at the Tuckshop gives parents the opportunity to experience and gain an insight into the Albany Creek State High School environment, meet other parents and maybe even some of your child's teachers.

If you can assist, please fill out the attached form and return either to the Tuckshop or school Administration.

If you require more information, please call the Convenor (Melissa) on 3325 6365 during school hours.
