(APPENDIX 2) – Return to Senior Schooling

Student details

Student Name		USI (apply online at www.usi.gov.au/)	

Finding out more about you

To assist with school approval for the alternative program that you would like to participate in, please complete the following information:

Student submission

Which school subjects will you be likely to choose to study in Year 11 and 12?

What program would you like to apply for?

External Program Enrolments – Student Agreement

- Make required payments to the specific TAFE/private provider prior to the course commencing.
- Maintain attendance, workload and assessment of external course load.

  Failure to do may result in your removal from the external course.

- Maintain school attendance, workload and assessment.

  Failure to do may result in your removal from the external course.

- Accept responsibility for the replacement of loan materials provided by your course provider that are lost or damaged during your studies.

Any infringement of this agreement will carry consequences which may result in the removal of this privilege (alternate study period/study with an external provider).
Students may be able to commence the school day late or finish early if they meet eligibility criteria.

Please complete below as an acknowledgement that you understand and accept these expectations.
