

# VOCATIONAL EDUCATION AND TRAINING

These subjects are competency based and are solely aimed at Certificate qualifications. Students will be awarded a Certificate on completion or awarded a statement of attainment for completed competencies, providing ACSHS has been supplied with the student's Unique Student Identifier (USI).

As the course is competency based there is no grade awarded during reporting or on the Senior Statement, but all competencies and the completion of the certificate are stated on the senior statement and contribute towards the QCE and ATAR. These courses are designed for students wanting Certificate qualifications and are interested in continuing with further studies or employment within these areas, either while at school or post year 12.

Vocational Education qualifications can provide an excellent foundation of knowledge for further university study and are often considered favourably by many receiving organisations. Students electing to complete a vocational qualification will still complete an additional 5 subjects to study at ACSHS as a part of their senior secondary curriculum.

**Please note: VETiS funded by the VET investment budget is fee-free for students. The VET investment budget will only fund ONE employment stream qualification while the student is attending school. Students should choose carefully should they take up this option in Year 11 as a further fee-free qualification will not be available to them in Year 12. Please refer to the Queensland Government's student fact sheet developed specifically for VETiS program – <https://training.qld.gov.au/providers/funded/vetis>**

## CUA30113 Certificate III in Dance or CUA40113 Certificate IV in Dance

### Course Outline:

The study of Certificate III or IV in Dance provides aspiring dancers with Dance Excellence training and a nationally recognised qualification whilst allowing the students to complete high school. Students will have the opportunity to focus on dance performance, fitness, artistic expression to enhance their individual and group performance work. Students may also study Senior Dance (OP subject) alongside a certificate course.

## Football Excellence Program (FEP)

### Why study the Football Program?

The program is aimed at students who have a strong interest in the game, demonstrate a recognised level of ability and a desire to achieve their full potential.

Students are provided with the opportunity to improve to an advanced level of performance through carefully designed and structured practical sessions and "age appropriate" competitions.

### Course Outline:

This program is underpinned by our football philosophy and style, which is based on the FFA Curriculum guidelines of proactive, effective possession based football and intelligent, collective defending. During Years 10 and 11, the students will continue working through "**The Game Based Training**" phase. Here the students are prepared for the "performance phase" of football through learning how to apply the fundamental core skills in a team/game setting. Years 10 and 11 also see the introduction of **football specific** conditioning sessions. All practical lessons are designed with a holistic approach to instruction that aims to develop the student's technical, perception and decision making skills. The lessons are structured around the four main moments of the game: being in possession of the ball (BP), the transition time of losing the ball (BP>BPO), the transition of winning the ball back (BPO>BP) and when the opposition have the ball (BPO).

# SIT30116 Certificate III in Tourism

## Standalone VET subject

### Course Outline:

Tourism has become the world's largest industry and its potential impact on societies and their economic and ecological future is enormous. The tourism industry has assumed increasing importance in Australian society as a source of expanding employment opportunities.

When undertaking this course, students are provided with the opportunity to obtain nationally recognised units which contribute to the SIT30116 Certificate III in Tourism [all done right here at school!]. Furthermore, high performing students in this subject are entered into the Queensland Tourism Industry Council's Salute to Excellence where they have the opportunity to make valuable links with industry representatives. Competencies achieved in this course can contribute to Tourism Certificate III and Diploma courses studied after school. See the competencies covered in the certificate below:

## EXTERNAL COURSES

### TAFE BRISBANE and TAFE SKILLSTECH COURSES

**Status:** External courses studied off campus

<b><u>Location:</u></b>	<b>TAFE BRISBANE -</b>		
	Bracken Ridge Campus	157 Norris Rd	Bracken Ridge
	Southbank Campus	66 Ernest St	South Brisbane
	Caboolture Campus	Tallon St	Caboolture
	Grovely Campus	Fitzsimmons St	Grovely
	Redcliffe Campus	64-68 Klingner Rd	Redcliffe
	<b>TAFE SKILLSTECH -</b>		
	Bracken Ridge Campus	157 Norris Rd	Bracken Ridge
	Eagle Farm Campus	776 Kingsford Smith Drive	Eagle Farm

**Contact:** Head of Department Senior Schooling  
Ph: 3325 6341

**Transport:** Student's responsibility

**Selection:** Applications to TAFE Brisbane at the TAFE at School Portal with approval being required by ACSHS

**Funding:** **Please note:** VET in Schools (VETiS) programs are subsidised by the Queensland Government. TAFE Queensland SkillsTech does not charge any fees to the school or student. From 1 July 2014, school students are eligible for **only one** subsidised VETiS program while at school. Full fee options may be available for student wishing to undertake multiple programs.

**Cost:** Costs vary from course to course, and these prices are identified through this guide. If you are undertaking a Certificate I or II qualification, you may pay reduced fees or, in some cases, no tuition fees at all. If you choose to study a Certificate III course you will incur fees. Programs identified as government subsidised are funded by the Queensland Government and the Department of Education and Training under the Certificate 3 Guarantee. The advertised prices are only applicable if you have not accessed VET subsidised funding in the past.

### **Course Outline:**

Brisbane TAFE at School and SkillsTech VET in Schools courses give Year 11 and 12 students an important head start on their career, a chance to complete a certificate qualification and possible credit towards further study.

Vocational Education offers students the opportunity to complete full qualifications alongside their secondary schooling and is a great study option for students seeking work, TAFE or university entrance beyond Year 12.

Benefits of undertaking a certificate or diploma level course through TAFE include those listed above, and in addition:

- Students will be better prepared for further study, having experienced the requirements of adult learning within a supported environment
- Students will receive a foundation of study that is both experiential and practical
- Students will be provided with a qualification that would allow direct entry into the workforce
- Students may be able to reduce the time taken to complete a university degree

Vocational Education qualifications can provide an excellent foundation of knowledge for further university study and are often considered favourably by many receiving organisations.

Students electing to complete a vocational qualification will still complete an additional 5 subjects to study at ACSHS as a part of their senior secondary curriculum.

**All information accurate at time of publication - TAFE Qld policies, tuition fees and courses are subject to change without notice. Course commencement is dependent on sufficient enrolments, appropriate accreditation and registration requirements.**
